It is announced now that after the election this State will do what she would not do before-that is, the Union party will perpetrate a fraud upon onr people. We have heard nothing of this amongst the Union men of Kentucky. It the Secessionists had succeeded, professing, as they generally did, that they were oppesed to Secession, a cheat might have been w uld have gotten the State into collision with the Federal Government in less than three months from this date. If they only did what they strove to do at the last called s saion of the Legislature, a collision would be unavoidable. They wanted to resist at every hazard, and to the last extremity. Taey proposed to deny to the Federal Goverament the right to send troops through t e State, to resist it by force. This was t e neutrality the Secessionists would have s med at. It would have been secession or r. bellion, which would have been the same ing. Formal secession-it would not do t talk about; but resistance to the Federal overnment by force is the same thing; ily worse. The Union men of this State a lil abide by the obligations of the Constiution, and repudiate every attempt to resist the Federal Government in its lawful au thority, nor will they resist unconstitu. constitutional ways. Long-thought years of patient investigation, and a null desperandum distermination, have crowned the Doctor's offers, and he now offers the Elixir to suffering humanity as the only thing that can cure the following diseases namely:

AS A STIMULANT, it is quite different from alcoholo-preparations. It is not subject to reactions in any thape; it confinnes to exert its influence, gradually and efficiently, as long as the least necessity exists for its AS A FEMALE MEDICINE, it is equally powerful NO MINERALS :- Dr. Wright thinks it well to stake

Generally, lo the debilitated, Dr. Wright would say, Never despair. No matter how word down you may be no matter how weak you are no matter what the cases may have been-forsake at once whatever has led you to depart from hysfeulc principles—take his REJUVENATING BLAZIK, and you will soon find your friends, and a healthy, sound and worthy member of the human lamily.

Special Notices.

Just the Thiso .- Our attention was called this morning to a friend of ours, who, few months ago, was sickly, feeble and debilitated-now he is healthy, strong, and robust. This great change was produced by taking McLean's Crlebrated Strength-ENING CORDIAL. It is a real Elixir of Life.

We advise every reader who may be sickly and debilitated, and all who are well and wish to keep so, to try it .- Evening au2 d&wlm

HOPKINSVILLE, KY., Augus, 27th 1858. DR. SHALLENBERGER-Dear Sir: I have to state that your Fever and Ague Antidote a daily growing into favor, and needs no puffing to recommend it, as its own merits are sufficient, wherever a trial has been made. I believe it has never failed where the administration has been proceeded with in accordance with the directions. It is a pleasure to sell medicines that meet the expectation of purchasers and give satisaction, and as such I am proud to roommend your R. D. BUCK, Physician and Druggist, app dimawa3weowim.

The oasis in the desert hath no such char as to the thirsty traveler as WRIGHT'S BEJUVENATING ELIXIR has to the debilitated and heart-sore sufferer from illtreated disease or physical prostration, who has been fortunate enough to try its beneficial agency, and welcomed back reanimated health and mental vigor. The man with broken health, the mother with care-worn countenance and depressed spirits, the maiden with lack lustre eye and faltering step, can all bear witness to the revitalizing effect of the Rejuvenating Elixir. Mothers take warning and try it, either for
